

Onboarding of new Service Sector to CityFix Platform

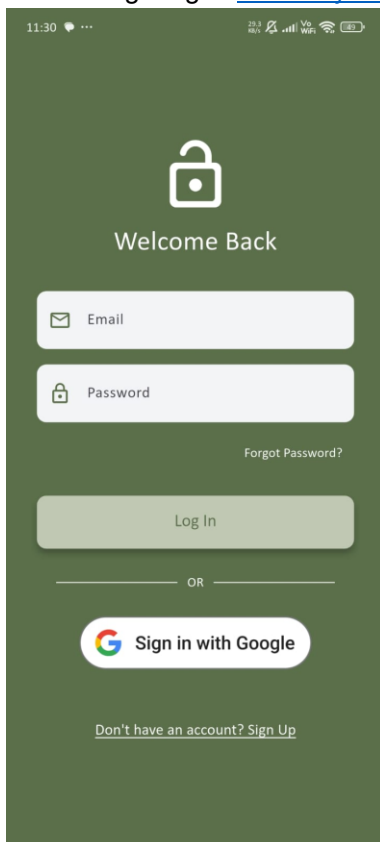

1.1 How can a new Service Sector be on boarded to the CityFix Platform?

Step 1: For a Service Sector to get on boarded to the CityFix Platform process, they are required to email the following details to jeevaroyes.21@gmail.com along with relevant State Admin with the subject line: **Service Sector | <State Name> | <Service Sector Name> | < Service Sector Census Code> | New Service Sector Onboarding**

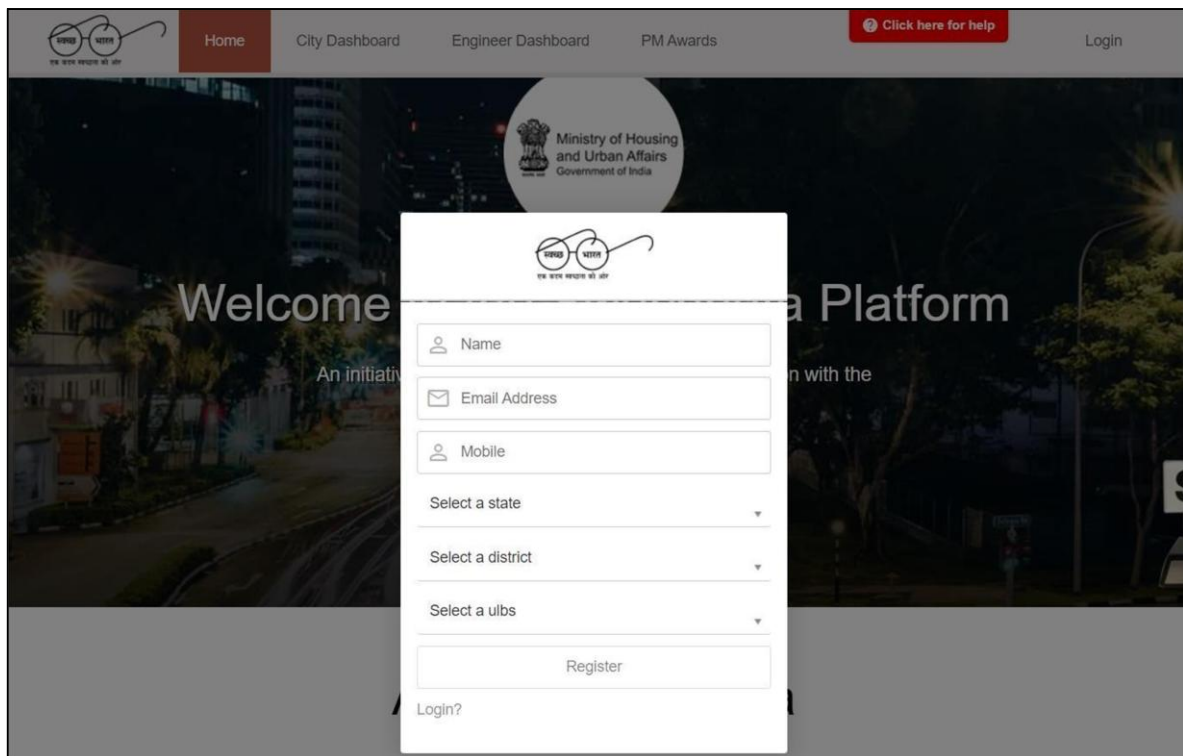

1. Name of the Service Sector for registration
2. Census code
3. Population
4. Total number of Wards in the Service Sector
5. KML files of Service Sector ward boundaries
6. Nodal Officer details:
 - i. Name
 - ii. Email id
 - iii. Mobile Number

Step 2: After sharing the details as mentioned in Step 1, the Service Sector details will be updated in the both the CityFix database and CityFix portal. Once updated, Service Sector Admins can get on boarded to the CityFix platform by:

- Navigating to www.cityfix.com > clicking on 'Login' in the top-right corner

- After clicking on “Register”, the ULBs are required to submit details as shown in the screen below

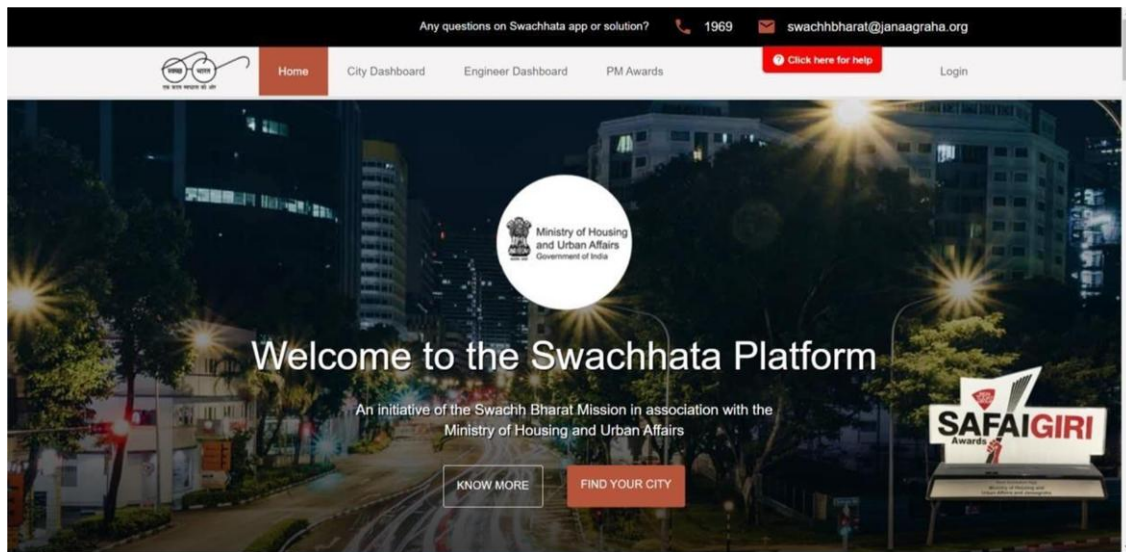

The screenshot shows a web portal for the Ministry of Housing and Urban Affairs, Government of India. The header includes navigation links: Home, City Dashboard, Engineer Dashboard, and PM Awards, along with a 'Click here for help' button and a 'Login' link. The main content area features a large 'Welcome' message and a 'Register' button. Below the 'Register' button, there is a form with the following fields: Name, Email Address, Mobile, Select a state, Select a district, and Select a ulbs. A 'Login?' link is also visible at the bottom of the form.

The entered details will be sent **to the respective State Admin for approval**.

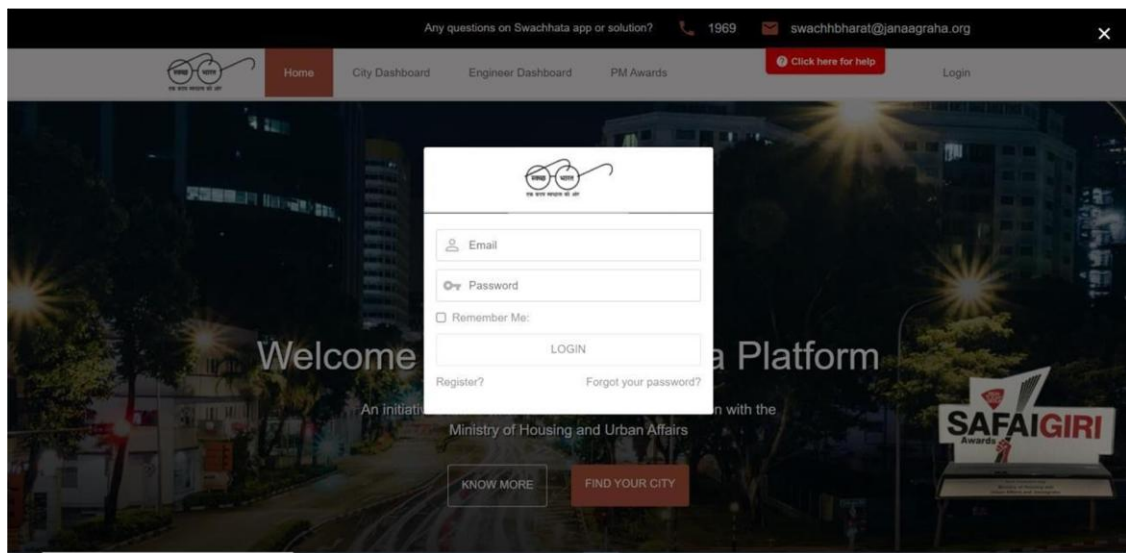

Upon State Admin's approval, ULBs will be successfully onboarded, and login credentials will be shared. The respective ULB can start using the portal to view and assign complaints, add sanitary inspectors/engineers, verify resolutions etc.

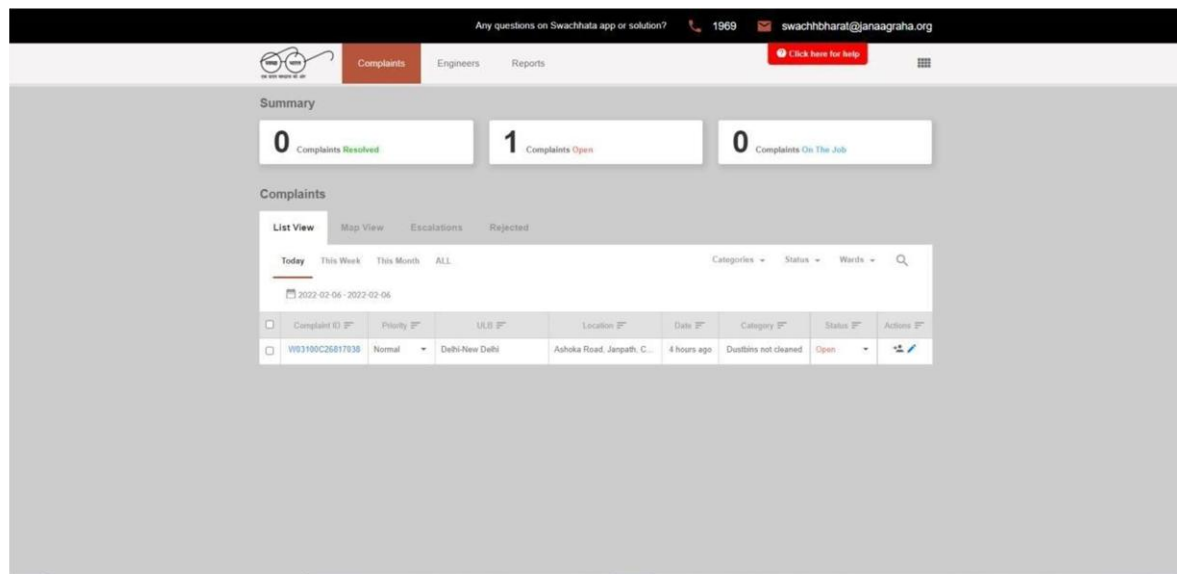

1.2 How can an existing ULB access the portal?

Step 1: Go to www.swachh.city and click on login

Step 2: Fill in login credentials and access the status and details of all complaints/events in a single dashboard

1.3 What are the applications that a Service Sector will be able access once on boarded to the CityFix Platform?

New Service Sectors will have access to www.cityfix.com after onboarding

CityFix is a web portal for municipal officers that enables them to view status and details of all complaints in a single dashboard. Officers can also assign complaints and resolve any other issues that might arise. Portal features include:

- Number of complaints received.
- Location of the complaints received.
- Assignment of work to sanitary supervisors
- Status of the work by engineers.
- Complaints resolved versus pending, etc.

CityFix is a web portal for citizens where in citizens and stakeholders can view comparative rating and ranking for city municipalities across India on resolution efficiency of citizen complaints that have come in through the CityFix mobile app.
